

# Preschool 4 Success

“It Takes A Village To Raise A Child”

~ African Proverb

Together, we can make a difference in the life of a child today, that will make an impact for that child's life.

We are partnering across the community to support 60 4-year-olds go to preschool. These children will experience:

- A quality, District 742 preschool program four days a week that includes licensed staff and aligned, research-based curriculum
- Transportation to access programming

About 35,000 Minnesota kids aren't ready for kindergarten. We need to do something about this. According to research, it was determined that for \$1 invested in quality preschool for disadvantaged kids returns up to \$16 to taxpayers.

## What we plan to fund Year 1:

- |                             |           |
|-----------------------------|-----------|
| • 2 Classroom Teachers      | \$120,000 |
| • 2 Paraprofessionals       | \$40,000  |
| • Field Trip Transportation | \$10,000  |
| • Classroom Supplies        | \$10,000  |
| • BGCMN Space               | In Kind   |

With this unique, community-wide partnership, we will support child development and in turn, support the entire community. Currently, the school district only has the resources to cover half the cost of this project. As a Signature Rotary Project for the next two years, we will partner with the district to understand the impact of this investment.

Please Consider  
Sponsoring a Child with a  
\$500 scholarship.

To sponsor a child, please send your tax-deductible check to:

The Rotary Scholarship Fund, PO Box 713, St. Cloud, MN 56302

“It is easier to build strong children...than repair broken men”
